## Services

1. Beginning January 29, by end of February, visit all MASS regional meetings to introduce META and the project.
2. Contact by phone every school leader in state to talk about readiness and determine needs.
3. Provide easy access to electronic information to schools looking for it in that manner.
4. Help high need districts develop an action plan.
5. Provide help desk services during the assessment window.
6. To plan for 2014-15, conduct follow-up with leaders on what did and didn't work.
7. OPI will release a Request for Proposals (RFP) in late March to help schools in the next level of planning.
